Subject: Common Core: Korea-NKS Publication

Mr. McDonald,

I am sending you our newly published book, *Common Core: Korea*, that incorporates lessons and resources to respond to the draft of the California History-Social Science Framework and the Common Core.

We believe that the book responds to the need to inform educators about Asia and particularly Korean history and culture.

We hope that *Common Core: Korea* may be a useful resource to the California Department of Education.

Sincerely,

Sung Soon Kim, Director
